DISCIPLINE POLICY

Our discipline policy maintains that each sailor will have three chances to correct any non-rule following behavior as follows:

1. First “strike”, your parent will be called by the instructor and the transgression will be reported. This will be recorded on your file and the Program Director will be notified.
2. Second “strike”, you and your parents will be asked to meet with the instructor and the Program Director to discuss the first and second transgression and to make a plan to avoid any future misbehavior. The notes from this meeting will also be documented in your file.
3. Third “strike”, you’re out! We will notify your parents that you are on your way home. You will no longer be welcome in the program. No refund.

Strikes include, but are not limited to, inappropriate language, destruction of property, physical abuse to another student or instructor.

Under no circumstances will an instructor leave the water for a discipline problem and leave the rest of the class in the water unsupervised.
