2022 SUMMER JR. SAIL CAMP INFORMATION

Give a gift that lasts a lifetime!

Our Junior Sailing Program is not your typical day camp – we're dedicated to teaching the love of sailing.

Students get hands-on boating experience and learn boating safety & rules while having fun on the water. They have access to the pool and, during inclement weather, alternate learning games will be enjoyed. Lunch, snacks and beverages are provided by HRYC. Each junior sailor is required to pass a swimming test prior to being allowed out on the water. The swim test includes treading water in the deep end of the pool while putting on their life vest, swimming the length of the pool and back, then taking the life vest off.
