After years of service to our country, many veterans now live in nursing homes, largely forgotten. Some have little money for personal use and are unable to enjoy the freedoms that they fought so hard for us.

Based in Daytona Beach, *Veterans Support Fund* was founded to help local veterans and ensure they are appreciated, loved and never forgotten. The fund provides activities, concerts, necessities, dinners out, and birthday and holiday gifts...and is operated entirely by volunteers.

Our partnership with VSF offers an opportunity for boat parade participants, sponsors, families & friends, to help raise funds for this great cause.
